

EC #2 – Education – Require Attendance of Community and Political Meetings for High School Graduation

Steve Carr (Fulton County, [REDACTED]) offers the following:

In the chapter on Education, add plank as follows:

- #. Amend high school graduation requirements to promote civic engagement

Make part of the high school graduation requirements that all high school students must attend at least one political and/or community meeting each month, take notes and give a 3 or 4 minute report at their next civics or social science class. Extra credit if they attend more than one meeting per month, take at least one parent and/or sibling and/or friend.
