

HR #3 – Human Rights – Protect victims of revenge porn and sex trafficking

Hugh Esco (Fulton County, ([REDACTED])) offers the following:

Add to the Human Rights chapter a new plank as follows:

#. Protect victims of revenge porn and sex trafficking

The Georgia Green Party endorses passage of the "Survivors of Human Trafficking Fight Back Act" (S.4983 in the 116th Congress), as amended to delete the reference to gametes in the proposed changes to Title 18 US Code Section 1591(e)(7)(C) and the removal of the mandatory minimum sentence in the proposed changes to 18 US Code Section 1591(e)(4). This bill, if enacted would protect with criminal penalties and a cause for civil action those victimized by the distribution, online or otherwise, of pornographic materials of them, produced or distributed without their consent."
